DATE FILED:	12/17/12

It is ordered, that should any or all Plaintiffs file a first amended and supplemental complaint on or before April 1, 2013, such filing:

- (1) Shall not be deemed made pursuant to FRCP 15(a)(1), Plaintiffs retaining the right to file a subsequent, second amended complaint pursuant thereto as a matter of course as if such were a first amended complaint; and
- (2) Shall not be counted for any further purposes of FRCP 15(a)(2), thus any subsequent application by Plaintiffs for permission to file a third, fourth, etc. amended complaint shall be decided as if the first amended complaint were actually the complaint originally filed and the second amended complaint were actually the first amended complaint filed as a matter of course, and so on; and
- (3) Shall not preclude Plaintiffs from requesting permission to file subsequent supplemental complaint(s).
